b) PCSO Tom Oliver thanked Councillors for the invitation to attend the meeting. A new dedicated PCSO for Tidenham, Lucy Smith, is currently in training and will be trained in the Parish by Tom. Marta Ortiz will be the new PC for Lydney and Tidenham. A new operation to execute arrest warrants in Sedbury has recently seen a positive drugs related arrest, helped by community led intelligence. Councillor Koning – councillors look at crime stats each month. It would be useful to know if ASB and Violence figures age groups. He understood the limitations on what can be divulged but, in view of the investment in community engagement by the Parish Council these figures would be helpful. PCSO Oliver will look into. David Stevens expressed concern that there had been 15 localised incidents in King Alfred's Road shown in the May figures, one of which was for arson and criminal damage at the skate park area. This is owned by the Council, but hadn't been reported to councillors. PCSO Oliver will look into. Councillors Bollen and Swambo understood a recent arrest in Tylers Way would remove a member of a drugs gang, which tend to involve older people not youths. Councillors Koning asked if the site of the Community Speedwatch in Gloucester Road could be reviewed so that vehicles coming from the A48 can be monitored as well. PCSO Oliver asked if the problems of footballs being kicked into neighbouring properties at the Hall could be addressed, perhaps with high fencing. After some discussion it was agreed to look at extending the reach of the CCTV cameras. Emily Timmins and Nikki Bullivant will be asked to contact the neighbours.
