

TIDENHAM PARISH COUNCIL RISK ASSESSMENT

Notes

“The greatest risk facing a local authority is not being able to deliver the activity or services expected of the Council.”

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Council to identify any and all potential risks inherent in the place or practices. Based on a recorded assessment the Council should then take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible, making sure that all employees/members are made aware of the results of the risk assessment.

This document has been produced to enable the Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them. In conducting this exercise, the following plan was followed:

- Identify the areas to be reviewed.
- Identify what the risk may be.
- Assess the probability of the risk and its impact on Council business. Overall risk rating then assigned as a product of Probability and Impact. **(see Appendix A)**
- Evaluate the management and control of the risk and record all findings.
- Review, assess and revise if required on an annual basis.

Subject	Risk(s) Identified	Probability	Impact	Risk Rating	Management/Control of Risk	Probability	Impact	Risk Rating	Review/Assess/Revise

A spreadsheet detailing all payments and receipts, listed under budget headings and giving total expenditure against budgets is maintained by the Clerk. This is considered by the Finance and Probity Committee at its quarterly meeting and presented to full Council at the next meeting. A budget monitoring statement is produced quarterly for consideration at the Finance and Probity Committee meeting and then presented to full Council. A random check of 5 individual payments, including quotation, invoice, signatories, cheques and bank statements takes place at each quarterly Finance and Probity Committee meeting.	U	M	L	Existing communication procedures adequate.
	Compliance	P	M	M		U	M	L	
Direct costs Overhead	Goods not supplied but billed	P	M	L	The Council has Financial Regulations that set out the requirements.	U	M	L	Existing procedure adequate.
